

level 2

forest to the East
hunt for
some small
animals,
and a bird

If obtained glider and provisions
and supplies, an option appears
when in village center: start up
the trail to the spring?

outside in the village center

longhouse

talk to Coimazu,
collect healing
draught

talk to Cardcrafter. She'll
help you make a glider,
but she needs some
small animal skins and
sinew and feathers. If
bring all supplies, she
uses an enlargement
card on the feathers to
get large hollow light
poles, then crafts it into a
glider

search the
records, ask Qitu
for advice,
Collect some
rations. Collect
some small
animal skins if
visited
